November 15-16, 2017 // Dena'ina Convention Center // Anchorage, Alaska

RESOURCE DEVELOPMENT COUNCIL

Growing Alaska Through Responsible Resource Development

SPONSOR & EXHIBIT OPPORTUNITIES

Despite a recession and fiscal challenges, Alaska has a bright future with exciting new opportunities across the state's resource development sectors. Ongoing development and production in Alaska's resource industries continue to provide jobs, income, and revenues – all signs of relative economic strength.

The **38th Annual Alaska Resources Conference** will provide timely updates on new opportunities, projects and prospects, address critical state and federal public policy issues, and feature the latest forecasts and updates on Alaska's resource development industries.

Over 1,000 people are expected to register and attend Alaska's most established and highest profile resource development forum of the year. Attendees will include decision-makers from across all resource industries, support sectors, Native corporations, federal, state, and local government agencies, as well as educators and students. Please join RDC as we tackle together the challenges before us and look to a new year of opportunity!
