# ALASKA RESOURCES CONFERENCE

November 14-15, 2018 // Dena'ina Center // Anchorage

## RESOURCE DEVELOPMENT COUNCIL

Growing Alaska Through Responsible Resource Development

### SPONSOR & EXHIBIT OPPORTUNITIES

Economists are predicting Alaska's recession will end within months and exciting new opportunities across the state's resource development sectors are on the horizon. Meanwhile, streamlining of the federal regulatory process is encouraging and ongoing development and production in Alaska's resource industries continue to provide jobs, income, and revenues – all signs of increasing economic strength.

The **39th Annual Alaska Resources Conference** will provide timely updates on new opportunities, projects and prospects, address key state and federal public policy issues, and feature the latest forecasts and updates on Alaska's resource development industries.

Over 800 people are expected to register and attend Alaska's most established and highest profile resource development forum of the year. Attendees will include decision-makers from across all resource industries, support sectors, Native corporations, federal, state, and local government agencies, as well as educators and students. Don't miss out! Please join RDC as we look to a new year of opportunity!
